EXPERIENCE

NOC TECHNICIAN • GLS • 09/2018 – PRESENT • CHARLOTTE, NC

- Maintained network devices of many clients, while troubleshooting devices that dropped
- Investigated any issue clients would have with their network equipment.
- Led the NOC in ticket touches and closures by assuring complete resolution

APP SQUAD • CHARLOTTE HORNETS • 01/2018 – 09/2018 • CHARLOTTE, NC

- Assisted any guest with issues on app they might have through troubleshooting techniques
- Demonstrated the features of the app the guest would want to use

ATHLETE • NIKE • 10/2016 – 05/2018 • CONCORD, NC

- Helped all customers in my designated zone decide which products best fit their need with my extensive knowledge of products

EDUCATION

BACHELOR OF SCIENCE COMPUTER SCIENCE • 12/2021 • UNIVERSITY NORTH CAROLINA AT CHARLOTTE • CHARLOTTE, NC

- Received 'A' grades in following courses: Logic and Algorithms, Object Oriented programming, Software developing, Cloud computing, AI. Completed a data science practicum where I was able to work with Charlotte Hornets, and Knights Executives, as well as the Tokyo Olympics.
- Dean's list 2020-21
